

SCUBA SEA SCOUT SHIPS

Help Us Get High School Students to Learn SCUBA

We need Dive Shops, Clubs, or Dive Centers, to be charter partners (sponsors) of Sea Scout Ships focused on SCUBA. Sea Scouts, BSA is the co-ed, high school age program of the Boy Scouts where youth have on the water fun, adventure, and advance in skills. The Boy Scouts of America has partnerships with Scuba Diving International (SDI), Professional Association of Dive Instructors (PADI), National Association of Diving Instructors (NAUI), and Divers Alert Network (DAN). We need your help to bring the adventure of Sea Scouts, BSA to your community.
